FOR IMMEDIATE RELEASE

CRA Donates \$33,000 Back to the Community and Eighteen Low Income Homeowners Receive New Roofs!

The Colorado Roofing Association (CRA) and Rebuilding Together Metro Denver teamed up once again for another successful National Rebuilding Day in the Denver metro area!

The CRA is very proud of all its participating members for helping this Colorado non-profit organization. Rebuilding Together Metro Denver works in partnership with the community to rehabilitate the houses of low-income homeowners, particularly the elderly and disabled, so that they may continue to live in warmth, safety and independence. These two Colorado organizations have been teaming up to keep homeowners DRY since April of 2001.

Warm, Safe, and specifically DRY was the GOAL for members of the CRA throughout the month of April. With the help of thirty-four roofing contractors, the CRA investigated the roofs of thirty-three homes in the

The CRA thanks the following member companies for the donation of their time, materials, labor, hard work, generosity and commitment to this years CRA "Flagship" community service project -- Rebuilding Together 2006. Participating contractors, suppliers and manufacturers included ABC Supply Co., Academy Roofing, Inc., Adam's Roofing, Allied Building Products, Alpine Roofing, American Roofing Supply, Arapahoe Roofing & Sheet Metal, AVI Roofing, B&M Roofing, Bighorn MetalWorks, Black Roofing, Boulder Roofing, CertainTeed, CJ Roofing, D&D Monarch, D&D Roofing, Inc., Darby Enterprises, Excel Roofing, Foothills Roofing, Fowler & Peth, Front Range Roofing Systems, GAF Materials, Highline Metals, Horn Brothers Roofing, Johns Manville, O'Conner Roofing, Owens Corning, Pacific Supply, Premier Supply Co., Rock's Roofing, Roofing Plus, Roofing Supply of Colorado, Superior Roofing, Tamko, Tiley Roofing, Velux, United Materials, WeatherSure Systems and Wilson Brothers Roofing.
